 Fort Washington, MD 20744

SuperAWOS

To Whom It May Concern:

CALSTAR purchased a SuperAWOS from Potomac Aviation Technology in early 2007. It was placed in Fort Bragg, California a rural Coastal town at the local hospital.

This SuperAWOS is in a high salt environment and CALSTAR has found the equipment, specifically the visibility sensor, to be very reliable.

The customer service that Potomac Aviation Technology offers is phenomenal; even though there have been very few issues; each and every one was handled quickly and efficiently.

CALSTAR highly recommends Potomac Aviation Technology and the SuperAWOS.

Sincerely,

Deborah A. Pardee, RN, MS
 North Bay Region Director
